About This Game

Please note that NEKOPARA Vol. 0 is a fandisc for [NEKOPARA Vol. 1](#)

What's NEKOPARA? Why, it's a cat paradise!

This is a story just before Kashou opened "La Soleil".

The eldest daughter of the Minaduki household and their 6 catgirls go to wake up their master; prepare breakfast; clean up the house; go out on a walk; make dinner; take a bath; sleep together; et cetera, et cetera.

Enjoy a page from the leisurely, daily lives of Shigure and the Minaduki household's catgirls!

Nekopara vol. 0 is a visual novel, this is a really good visual novel with cool mechanics and amazing graphics, the backgrounds are really beautiful and very detailed, and the animations using a technology called "live 2d" in this engine makes nekopara plays like a real anime, I highly recommend this game to otakus.
